Cups Committee Meeting
November 14th, 2022

Call to order: 12:32pm.

Attendance: [X] Lainie Dickson, [X] Grace Drone, [X] Cindy Hastings, [X] Greta Dedmon, [X] Tammy Alford, [X] Rebecca Fausel, [X] Chauntelle Johnson, [X] Kaitlyn Rohr;

Current/New Business:

1. Review of Previous Meeting Minutes: Lainie approved past minutes.
2. Cups Updates:
 - Chauntelle mentioned that a Kingco issue came up regarding nonmembers on the team. An opposing team questioned our roster. As a private club, we can determine who plays on our teams. The Cup Committee approved the Kingco roster and allowed a couple of nonmembers to play on this team to have a viable Edgebrook team this year. Mary Monroe, SACT Pres also agrees this is legal according to SACT rules.
 - Judy asked if other Cups were questioning, or being accused of, order of strength play on courts. No other Cup claimed this to be happening. Cindy mentioned that SACT has a process for a grievance regarding this topic.
3. Social Events:
 - Cups holiday Party – Monday, 12/12.
 - Each Cup team is to provide a dish to share and a person for set up or clean up. Kingco and Challenge Cup provide 1 person each for cleanup. All other cups on Set up. A flyer with all the details will be coming out from staff this week.
 - Cup Reps need to get RSVP from their teams and recruit necessary volunteers to help. The deadline for this is 12/1. Information to Lainie.
 - As tradition will have it, each team selects a charity for a giving project. Team Reps to initiate this discussion and facilitate giving project. Greta (Kingo) would like to tag along on another Cup's charity.
