Meeting called to order: 11.08am

Current/New Business:

1. Review of Previous Meeting Minutes
 - a. Skipped as few people in attendance.

2. 2023-2024 Season Recap
 - a. No defaults at any level which is very good.
 - b. Few subs used during the season which meant few opportunities to try to play up. Captains will use their team members first. However, if they are short, the captain from the higher team will ask the D1 players from the lower team to be subs.

Level	Number of players on team	Ending position on league table	Comments
Emerald	15	Middle of league	Good season given that we had many new players
Classic	13	5 th : top 1/3 of league	Small team size
Rainier	15		
Challenge 1	13	12 th : Top half of league	
Challenge 2	15	3 rd from bottom	Team composition was uneven compared to Challenge 1.
Kingco	17	5 th : top 1/3 of league	Lots of 4.5 this year and team was very competitive.

What is our goal for Cups? To provide competitive teams which are at the top of the league? To provide a stretch for players? To let people play where they want. Note that as a club, we are losing daytime players and gaining weekend players.

3. 2024-2025 Season Registration

- a. Players can sign up to the level where they want to play and nominate who they want as a partner (up to 3). The coaches will also provide their input into the team formations.
- b. When registering, think about:
 - i. If winning 60-70% of the time and you are D1 or the top 1st or 2nd winningest player on the team, think about playing up
 - ii. If you are losing the majority of time or the bottom 1 or 2 players on the team, think about moving down.
- c. Timetable

Date	What is happening?
Week beginning April 15, 2024	Registration opens for one week
Week beginning April 22, 2024	Tennis pros look at team formations
May 1, 2024	Initial draft of teams to Cups Committee
May 6, 2024	Cups Meeting: in person

4. Change Cups Season

Chauntelle is gauging interest in our club to change the Cups season which is run by Seattle Area Cup Tennis . The idea is to end Cups in December and for Edgebrook to offer the choice of 40+ weekday teams. Currently, we do not have any 40+ weekday teams due to the need to have the courts for Cups. As part the of registration process, there will be a question at the end, asking players for their feedback.

Next Meeting: May 6th (in person)

Adjourn: [12:01pm](#)
